Step 2 : On click on link, you will receive below screen, One line is written with order ID . Applicant need to speak that line after starting of Video by clicking on "Record Video" .

Please speak below line to record. (Use any language to speak)

I, Raiu Sharma have applied for Class - 2 certificate with capricorn CA. My order number is OR124000.

Record Video

Click Here to start recording Video.

You can also record your video using Android Apps (Capricorn Customer Application).
To Download our Android app (Capricorn Customer Application) click here

Browser support: 1) Desktop - Latest Google Chrome, Firefox, Opera . 2) Android - Chrome, Firefox, Opera . 3) Internet Explorer does not support video recording.

Note: You must have working Internet Connection, Web Cam with Audio Support to record user undertaking. If anyone is not working kindly contact you computer support team. We will not help in setting up these.

After 20-25 seconds, Video will stop automatically and get saved. Please inform us after Video Completion to further process your DSC.

Option 2 : Mobile App

Step 1. Download “Capricorn Customer” App from your Android Play Store or Click below link.

<https://play.google.com/store/apps/details?id=dscenrollment.capricorn.com.capturevideodsc>

Step 2: Open App after installation and click on “Video Recording” .

Step 3: Enter “Order ID” and your “PIN Code” of address which is mentioned in Digital Signature Application and click on “Confirm”.

A screenshot of the "Video Recording" screen in the app. It has a blue header with a back arrow and the text "Video Recording". Below the header are two input fields: "Order ID" with the value "OR124000" and "Pin code" with the value "245454". At the bottom of the screen is a large blue button labeled "CONFIRM".

Step 4: On Next Screen, Please see Text / Line written in TOP of the Screen in below format.

I, Raju Sharma have applied for Class 2 Certificate with Capricorn CA. My Order ID is OR124000.

Click on "RECORD VIDEO" button in bottom of the screen and speak line mentioned in TOP Screen.

After 20-25 seconds, Click on Submit Video will be saved with Audio.
